

NCORE[®] 2011 Participant Feedback Suggested Topics for NCORE[®] 2012

[more] Networking Sessions

9/11 discrimination

A Central U. S. city might be more cost effective for all.

A student mentoring program

a workshop on how do deal in class when someone says something inappropriate

AAVE

Ablelism

Academic Monitoring, Mentoring, and Support Services

Access and Completion of Latino Students.

Accountability and reward systems for diversity inclusivity

Action oriented caucuses

active anti racist

Addressing new student demographics - high acheivers

Addressing the student debt crisis

Admission Requirements

Admissions (Recruitment and Retention)

Adoptees and identity issues of culture and race

Adovcating for students

Adult Education transitions into Higher Ed

advancing your career for those in middle management

Advising Ethnic Student Organizations on College Campuses

affirmative action

African American-Latina/o issues

African Male Retention Efforts in Higher Ed

Ageism

Allies and Change Agents

Allowing Allies to Advocate

American education and the future to hold for our younger generations

anti-racist curriculum

API Students and Low College Acceptance Rates

Approaches for increasing the pipeline for faculty of color, especially in STEM disciplines

Art and Politics

Artful resistance and expressions of identity

Arts & Social Justice

As our university communities become more culturally diverse, what are emerging/changing issues and how might those issues be addressed

Asian American issues

Asian American Pacific Islanders as Higher Education Leaders

Asian Pacific Islander invisibility in race/ethnicity issues

Asian/Pac Islanders in Higher Ed

assessment

Assessment

Assessment (how to)

Assessment of cultural competency

Assessment of institutional/programmatic addressing of diversity

Assessment tools for intercultural competence

Assimilation

Assistance For Dissertation Research

Atlanta, GA

Attracting students of color to participate in disability svcs

Balance generational diversity by adding more GenX/GenY voices

Balancing resources and experiences with cultural diversity for children of professors

Be able to connect with more people

Becoming a chief diversity officer

bell hooks

Belongingness

Best practices

Best practices for advertising and attracting URM's into faculty, student and staff positions

best practices for advising 1st gen multicultural students and low-income students

Best practices for diversifying staff and senior administrators

best practices for effective mentoring programs

Best practices for faculty diversity recruitment

better define sessions for administrators and faculty

Better Job posting set up

Better Logistics

Better quality bags especially given the price of the conference

better speakers!

Bi-Racial Identity Development

black and brown relations

Black faculty in white institutions

Black women and stress

Black Women In Executive Positions

Breaking down stereotypes

Bridging the gap: Retaining more under represented minorities into medicine through community mentors

Bringing African Americans and Latino/as together

budget crisis and recruitment retention students of color

Budget impact on diversity agenda

Budgeting for families of college students

budgets vs. moral/motivation (covered in SF but we need more talk on this)

building bridges across racial categories

Building Bridges for Inclusion - More than just a conversation

BUILDING INCLUSIVE ENVIRONMENTS

Building institutional capacity

Building linkages between faculty and staff (support services)

Building multi-racial alliances

Bullying

Campus climate

campus climate among faculty and staff

Campus Collaborations

campus-wide diversity plan

Can diversity learning go on-line?

Can you be a multicultural teacher if you are not a multicultural person?

Career Advancement

Career development both inside and outside higher ed

Career Panels for Mid-level Managers

Caucuses

Challenges For Female Administrators

Chief Diversity Officer forum

chief diversity officer role

Choosing Ph.D programs

Christian hegemony

Christian Hegemony/ Supremacy

Civility

Clash between newer immigrants and US born POC

class

Class differences in the US and connect with Race

Class vs race sessions

Classism

Classism in Health Care (what happens to the poor in ERs?)

Climate assessment

Climate assessment

Climate Surveys

closing the achievement gap

Co-Curricula-based diversity/multicultural programming (particularly within the academic sector)

College Student Athlete

college support services to enhance success of first generation, low-income, and/or minority students

College/University Admissions challenges re: diverse pool

Colorblindness

Combatting racism/prejudice perpetrated by the White community

Communicating with people

Community Advocacy and Student Engagement

community colleges

community organizing

Community Outreach

community outreach

community work involving desegregating

Connecting the Departments--cross functionally (i.e. academic/student life).

Connections between queer rights & immigration rights

Continuation of the white caucus--- it was phenomenal!

Continue White Caucus

continued history resources

Continued sessions by undergraduate and graduate students

Conversations about white privilege with a mixed group of students as a person of color

Coordinating Multicultural VISIT Programs

Coping Methods for Oppression in a majority institution for people for people of color

Coping with budget constraints/striving for excellence

cost of higher education and diversity

Counseling

Create tracks for participants (eg "Theory to praxis" "recruit and retain" "faculty staff programming" etc)

Creating access for lower income students to higher education

Creating and developing goals for POC in universities

Creating culturally relevant instruction

Creating institutional change

Creating peer diversity education programs

Critical Conversations

Critical pedagogy in instruction

Critical Race Theory

Critical Reflection

Critical thought and reflection of cultural programs and activities

Critically analysis of white privilege within the LGBT community

Critique of "Post-Racial" concept

Cross cultural analysis of Homosexuality

cross-racial dialogue

Cross-racial involvement for White students

crucial conversations

Cultural and Ethnic conflicts within the races (ex. How Black People treat Black or African People)

Cultural and Ethnic Identity appreciation

Cultural Competence

Cultural Competence

cultural competence !!!!

Cultural competence vs cultural humility

Cultural competency

Cultural competency workshops

CULTURAL/INTERCULTURAL COMPETENCE

Culture

Culture & Organizational change in institutions

Current and up-to-date research of race/ethnicity

Current Events (concrete Examples)

Current research about Race and Ethnicity

curriculum development

dealing in a racist society in higher education

Dealing with reluctance to diversity and resistance

Deepening discussions on Racism

Defining and addressing issues of power

Developing a Diversity Strategic Plan

Developing allies

Developing and Empowering the Student and Young Professional

Developing and Supporting Diversity Student Organizations

developing women presidents

Development of a Diversity Master Plan

Dialogues on Advancement in Higher Education (at senior level)

Differences in the Latino Community based on class

Disability and race/ethnicity

disabilities - all levels of knowledge

discussion around relationship of race, ethnicity, and nationality

Discussion of the position of being Jewish and a social justice advocate with the current attitudes re: Israel and Palestine

Diverse Mentoring Initiatives

Diversification of Curriculum

Diversifying specific EMS Programs such as: Fire Student, or EMT Paramedics

Diversifying the higher ed workforce

Diversity & Faith Based Institutions in Rural Areas

Diversity and inclusion in faculty research

Diversity and inclusion: social change and activism

Diversity and the institution

diversity and the small liberal arts college

Diversity at the community college

Diversity in Higher Education within the Performing Arts

Diversity in our politics at all levels, local, state, federal

Diversity in relation to Reelection Political Environment

Diversity Management Best Practices

diversity officers in higher education

Diversity Training

Diversity Training for staff and students

Diversity work at faith-based institutions

do not plan to attend

Doctoral programs

Doctorial Programs

Dr. Heather Hamilton - Intersections of Race, Gender, Sexual Orientation

DREAM Act

dream act

Dream Act and AB540 movement

Educating the college students minds to be inclusive and tolerant

Education of predominantly white staff at a PWI

Education Reform Advocacy

Effective critical engagement of inequality in administration

Effective Models for Peer Advisors

Effective Strategies to use to communicate with Difficult Staff,
Administrators and Faculty

eft

Emergence of Racist Incidents on College Campus

Emphasis on issues faced by Indian Community which is critical in the United States

Engaging Faculty in conversations about diversity

Engaging White Students in Conversations about Race

Enhancing cross-racial collaborations in Higher Education

Entertainment Showcase

Environmental Racism

Environmental Sustainability

Ethnic and Cultural Critical Conversations

Ethnic studies program models

Ethnicity

Everything you introduce is a winner!

examination of white privilege

Expanding the focus of NCORE to include Gender

Expanding the focus of NCORE to include sexual orientation

Facilitating Campus Wide Training on Racism

Factors and Programs contributing to the Successful graduation rates of African American Males.

Faculty and Staff Cultural Competence

Faculty Development

Faculty development

faculty development

Faculty Development

Faculty development in engaging issues of diversity

Faculty engagement with diversity inclusivity (classroom level)

Faculty in and participation in areas of Diversity and inclusion

faculty mentoring

Faculty of color recruitment/retention

faculty, staff & administrator cultural competency training

Faith and race

Faith-based caucus

Faith-based reflections on diversity

Federal/State Employment Update

Female students (and staff/faculty) of color

Feminism in America

film viewing with director

Finance and equality, How do we make the mix and engage in the conversation?

Financial issues that minorities faces when going to college

Find programs that are model programs in providing services to minority students and showcase them.

Find your Voice

Focus on adult learners/21st century students

Focus on class as a diversity issue

Focus on defining rhetoric like "excellence" and "quality"

Forum on Males of color that was cancelled

Fostering/strengthening ties amongst/between Cultural Learning Communities on campus as well as with the larger campus population

Francie Kendell's sessions on Talking about Race AND Christian Hegemony

From talking to action: How to change policies/government

Funding Sources (partnering on funding opportunities--grants, etc.)

Funding/Budgets

Future Role of Multicultural Student Centers

Gender

Gender and Race Intersection

Gender Equality

Gender gaps in STEM

Gender Identity and Race

gender identity and social movements

Gender issues within racial contexts

Generational perspectives on social justice

getting below the surface of diversity

Getting College Students involved in social justice work

Getting STEMS faculty interested in diversity inclusivity

getting white faculty on board to care about diversity

GLBT Impact on Higher Education

GLBTQ

Global Learning for the Minority Student

Globalization

Going green is a multicultural imperative

Government stakes in education

Governmental officials from DC who can openly speak about combating racism

Graduating Black Males

Grant and fundraising

Grant Writing Strategies

Grant-Funding and Non-Profit Start Ups

Grant-writing workshops

Have Eve Ensler come present about the VDAY Campaign--she is in NYC

Health Care

Health Disparity

health education

Health Equity

Health Reform, Affordable Care Act- how it's working or not

Heather Hackman's session

Hegemonic systems in the U.S and their affect on higher education

Helping higher ed staff of color move up the ranks

High Achieving Students (in particular Latinos)

High conference cost - may keep the very population that we need to work with out of NCORE. Only elites can afford to come.

High conference cost - may keep us out

Higher Education Hip Hop and the Hood with Dr. Joi Lewis

Higher Education, Christianity/Faith, Sexuality and student development,

Higher level administration buy-in strategies

Hip Hop Education

Hip Hop Pedagogy

hiring a diverse faculty

hiring diverse faculty and administrators

hiring diverse faculty and staff

History of People of Color in education

HIV/AIDS and the Black community

Homophobia within communities of color

Horizontal racism and collusion

horizontal violence and oppression

Host a first year conference experience (navigating the conference)

Houston, TX

How being part of a global world community affects the race/ethnicity dialog.

How good is a Bachelor's?

How Progressive Theological Institutions are Addressing Diversity Issues on Campus

how the immigration laws are affecting schools

How to address characteristics (yes, I can totally see the word "stereotype" popping into y'all's' heads) in particular ethnic groups that hinder their success

How to address white guilt

How to advance education for poor minorities.

How to attract UMRs to graduate STEM programs.

How to avoid friction between ethnic groups on campus

how to better serve our Muslim and Arab American students

How to build a diversity master plan

How to conduct cultural diversity workshops for faculty?

How to develop a course on race and ethnicity

How to Develop a Strategic Diversity Plan

how to effectively challenge administration about their actions

How to Effectively Recruit AfricanAmerican Graduate Students to Graduate Schools Especially African American Males

how to engage millenials in this work and to see its value

How to excel in the doctorate fields for multiracial students

How to get paid what you deserve?

How to handle the racism as an undergraduate

How to have an effective program for URM's in staff positions

How to help priviledged students discuss "-isms"

How to help students go beyond "psuedo-tolerance"

How to increase the minority population on campus without the white population feeling they got there only because they are minorities

How to move up in higher education

How to overcome being a "2fer" I'm a woman and Black, I'm Latino and gay, I have a disability and I'm Native. I'm a 2fer.

How To presentation on navigating the academy

How to support colleagues of color in the workplace

HR topics vs. student affairs issues

Human Resources Discipline of Diversity in Higher Education

Human Trafficking

i was already aware of about 90% of the issues presented

If situation continues -- invite Arizonans to speak about Arizona immigration issues and response

Images of Race in the Media but NOT from the "Race Doctor"

Immigrant students of color

Immigration

Immigration

Immigration

immigration

immigration

Immigration

Immigration Abuses

Immigration and the Dream Act

immigration issues

Immigration issues

Immigration Issues

Immigration issues

Immigration Issues, and supporting undocumented students

immigration phobia

Immigration Reform

Immigration support from the Black AAF community

impact of learning based on specific cultures, Hmong, in particular

impact of writing assistance/tutoring

importance of ethnic sensitivity to STEM pedagogy

incarceration vs. education for students of color

increasing the number of males in higher education (men of color)

Info about serving new immigrants of color

Infusion of culture and leadership

infusion of domestic and international approaches to diversity

innovative mentoring programs for FOC and Women

Innovative Partnerships/Programs between 4 YR Institutions and 2 YR Colleges

Innovative programming around diversity & inclusion at PWIs

Integrating international students of different races

Integrating multiculturalism/interculturalism & white privilege/systems of oppression

Intercultural Arts Programs

Inter-cultural Communication

Intercultural Training

Interfaith Coalition-Building

Intergroup Dialogue techniques and research

internalized oppression

Internalized racism

Internalized racism

International and multicultural

International recruiting and its affect on diversity

International Student recruitment

Internationalization

Internationalization in relation to diversity and inclusion

Interracial Dating

Interracial Relationships

intersctionality of race, class, gender and sexual orientation

Intersecting identites

Intersection of Ethnicity and Sexual Orientation

intersection of global and domestic issues

Intersection of LGBT and racial identity

Intersection of race and class

Intersection of race and priviledge

Intersection of Race, Class & Gender how it plays out on Campuses

intersectionalities

Intersectionalities of Race and Gender and Sexuality

Intersectionalities of sexuality and race

Intersectionality

Intersectionality

Intersectionality

Intersectionality (converging identities)

Intersectionality between identities

Intersectionality models in practice

Intersectionality of Identities

intersectionality of race, gender, and sexual orientation

Intersectionality of race/ethnicity with sexual orientation

Intersectionality Session with Cerri Banks et al

intersectionality with disabilities

intersectionality with religion

Intersectionality!!!

Intersectionality: race & gender; race & sexual orientation

Intersections of Multiculturalism & Internationalization

Intersections of race with class/gender/sexuality

Intersections of race, gender, sexuality

Is there a crisis in ethnic studies? Can we or should we let go of the 60's?

Islamaphobia

Issues associated with climate/Faculty/Staff

Issues faced within a single community i.e "you're not black enough"

issues of ability-status within communities of color

Issues of integration and desegregation of schools

Issues of multiculturalism/diversity in residence life.

Issues related to the practice of psychology

Issues with retention rates that students can help with so more student geared sessions about how to help their peers

It seemed very less energetic and not as welcoming

Job fair

Jonathan Kozol as a speaker!!!

journal or conference proceedings publication

k-16 partnerships

keeping diversity @ the forefront of campus/district/state agendas

Keynote about changing demographics

Keynote attention to surveying best practices at a national level

Keynotes that directly speak the the work of higher education

Lack of diversity amongst leaders on campus?

language barrier in higher education

Large rooms for sessions

Latin@ Identification with RACE

Latina/o Leadership Development Institute

Latino Caucus Meeting-Not Chicano focused; Emphasis on the Caribbean Latino college experience. Chicano and Latino should NOT be utilized interchangeably.

Latino issues

Latino issues but not necessarily immigration

Leadership Development Initiatives

Leadership Training Skills for Diverse Student Leaders

Learning starts at home first for a child

Legal issues facing minority serving programs and how to address these.

Less on white privilege, enough already. We are what we are, if we aren't interested in equity we would not be here

Less showcasing and more programs with applicable tools

LGBT Caucus

LGBT Caucus Space

LGBT Issues

LGBT issues

LGBT issues and people of color

LGBTQ Issues

Limitations of Student Development Theory

longer lunch sessions

looking at latinos in 4 year institutions, not just community colleges

Low Graduation and/or transfer rates of Ethnic students from Community Colleges to 4 yr institutions

Majority to Minority Group Transition Issues for College Freshmen

Making institutional change

Managing microaggressions

Managing your identity in an academic career

Marketing Skills/ Promotional Ideas to Increase Participation at Campus Cultural Events

Mass Media and Consumerism relative to multiculturalism

Me or Not Me how cultural models of education influence academic motivation and performance with Dr. Stephanie Fryberg

mentoring

mentoring

Mentoring at the Executive Level

mentoring emerging professionals of color

Mentoring for students in high school to prepare for college entrance exams

Mentoring New Professionals

Mentoring Program Services for Students

Mentoring Programs for Foster Children

Mentorship at all higher ed levels

micro-aggression along race lines

Microaggressions

microaggressions and how to address them on campus

Microaggressions

Microinequities/Microaggression / How to combat these

Minorities on White Campuses

minority male

Minority status within a minority status (AA and female)

Minority Succession Planning

Minority Women having Power in Higher Ed

Minority women: Social impact on lack minority degree attainment

Misogyny in communities of color and its impact on female success in higher education

Mixed-Race/ Multiraciality

Mobilizing a national agenda for racial equity

Models of successful diversity initiatives

More about intersections of race and class

more approaches in teaching students abt white privilege

more around mixed race, even a mixed race keynote

More Asian American sessions

More Asian Pacific Islander Workshops

more community college sessions

More community members and organizations

More concrete (and affordable) steps to close the achievement gap (UNC Charlottel was great, but they had the resources, including much more highly motivated and prepared students than currently are at our school)

More connections with K-12 system and what colleges are doing.

More conversations on how to start conversations about race with White students

more discussion about religious diversity (i.e. Judaism, Islam, atheism, etc)

more discussion of Christian hegemony

More discussion of GLBT issues

more discussions of LGBTQ individuals

more discussions of Muslim Americans

more discussions on race

more examination of gender privilege and bias

More experiential based sessions

More free food

More from campuses that have minority-majority populations

more hands-on workshops for faculty on classroom issues

more information about supporting underrepresented/underserved students in the STEM fields (and keeping them in STEM rather than getting bachelors in STEM and working in helping professions)

more instructional strategies

more intensive work on white privilege

More Inter-Group Dialogue Presentations and Social Justice Work

more intersection topics

More issues focused on doctoral students

More issues focused on the aspect of disability

More leadership sessions

More LGBT sessions

More on Christian hegemony and white supremacy

More on disability

More on Gaining Buy-in for Diversity Initiatives from Senior Leadership

more on getting away from territorial attitudes fostered by either a university view or/and a "natural" inclination to compete, which is counter-productive to our students: how to "fix" this

more on helping students that do to the dream act are not able to go to college

more on intersectionality

More on intersections of identity with Race (class, gender, sexuality, disability)

more on microaggressions

more on program completion

more on race rather than talking around it. nothing was directly discussed on race only inferred

More on Racial Micro-Aggressions DW Sue at Columbia

more on the intersections between race and class

more on transformational leadership styles (for women)

more on white supremacy and christian privilege

more opportunities for people to learn about the history and culture of other groups

More Pacific Islander and multi heritage movies and books

More Pacific Islander workshops, Institutes and Keynote Speakers

More panels on sexual diversity issues

More Presentations from students by students

More presentations on Asians and Pacific Islanders

More program on current racial dynamics in the US

more programs on ethnicity and how it connects with persons with disabilities

More programs that highlight inter-ethnic and intra-ethnic work

More Research and Work on Intersections of "Race and..."

More research-centered Approaches to issues of race, ethnicity & diversity

More sessions for undergraduate students

more student-run sessions for students on dealing with these issues

more tangible tools/skills to bring back to our institution

More tools for dealing with white resistance

More with Dr. Wildcat

More workshop ideas

More workshops that deal with API issues

More workshops that are relevant to community colleges

Much more Networking opportunities among (within) social identity groups

Multi Heritage workshops, Pre Institutes and key note speakers

Multicultural centers/offices

Multi-cultural department for the future (What would it look like?)

Multicultural issues in online teaching and instruction

Multicultural Leadership Training

multicultural or ethnic specific centers- "how to stay relevant"

multicultural programming and retention

Multicultural Programming

multicultural retention of at-risk populations

Multiculturalism at specialized institutions (ie business schools)

Multiculturalism in Legal Education

multi-ethnic, multi-racial topics

Multiracial/Multiethnic issues

music/art as community resistance

national diversity & global diversity issues & globalization

Native American Issues

Native American morning blessings of the day

navigating multiple identities

Navigating PhD Programs

Navigating Resistance, Racism, Sexism, etc.

Navigating the Diversity talk

neoliberal 'reform' in education

New Orleans

New Work on White Privilege

Non-Tenure Track faculty issues & organizing

Non-traditional student bodies at state HE institutions

Non-Traditional Students: Adults, Working Class Etc...

Not just for faculty and students; how about staff?

Notify participants of cancellations ahead of time, if possible

Now that I have the tools, what do I do next?

NSBE, SHEP, SACNAS, etc student forums

Nuts & Bolts of Diversity Programming & Assessment in Student Affairs

Obama opposition

Offer more specific track for students

Offering the Pre-conference workshops not at the beginning, but possibly during the middle of the conference

on campus jobs and race

open access resources

opportunities for conversations between racial caucuses

opportunities for parents and spouses

organizational management that taps into diversity

organizing

Overcoming white supremacy

Pacific Islander presenter

Panel on Women in Leadership Roles

Pedagogy in terms of teaching a diverse student body

People of color, higher ed, and environmental issues

Performativity & Race

pipeline programs that connect underrepresented/underserved students from K-12, community colleges, and universities

Please, be sure the rooms are sound-proofed: too much noise from adjoining rooms was disconcerting to speaker and audience

Political and Historical Research of Organizational support in Higher Ed

Political insights on diversity

Post-9/11 Race Relations in NYC: 11 years later

Power

power

Power and Privilege

Power Politics that are Inclusive

Practical Cultural Competence Training Models

Practical skills for making excellence inclusive in PWIs

pre-collegiate preparation programs for low-income, first generation, and/or racial/ethnic minorities

Predominantly White Institutions

Preparation of African American males in STEM fields

privatization/corporation of public schooling

privilege

Privilege

Professional development

professional development

Professional Development (including mentoring)

professional development for administrators

Professional skills and development for administrators

Professionals of Color recruitment/retention

program assessment and evaluation

Program Evaluation/Qualitative Research Methods

Programming for Social Justice

Programs for first time attendee to NCORE (Students)

Programs geared towards students

Progress and Status of Diversity in Academia (National Report)

promoting equity across schools

promoting scholarship among faculty and staff of color

Provide at least one luncheon

Public School and Higher Ed becoming more elite and less assessable

Public to Private, changes in our university systems. What does this mean overall and on the micro level. How will be stay funded and the impact of the privatization.

Publication trends and gaps

Published materials on previous conference info.

publishing opportunities for faculty and staff of color

Queer and transgender students (and staff/faculty) of color

Race

Race & Class Dynamics in the classroom at PWI's

Race & Ethnicity academic/research/social 25 year review

Race & Ethnicity Thru The Lens of Theology

RACE and ETHNICITY IN AMERICAN HIGHER EDUCATION!!!

Race in current and past political campaigns

white privilete

White Privilige

Whites Partnering to dismantle racism

Why are all the black kids sitting together at lunch?

Why people of color can't, don't or won't support each other.

why so many latinos drop out of college?

why there are not alot of latinos in the sciences?

Why We Don't Talk About Caribbean-Americans in Higher Education

Women in leadership roles

women of color in leadership roles

Work for white allyship, esp. with students

Work surrounding helping students iving with an intersecting identity

Working with allies

working with alumni from the foster care system

Working with undocumented students

Working with undocumented students (who are not just Latino/a)

Workshop on moving up higher in higher education

Workshops on teaching theory

workshops solely for students on student leadership, etc.

Workshops with more representation from Arab/Muslim/Middle Eastern people

Would love to see a debate with Ward Connerly and Tim Wise

Writing bootcamp or peer reviews of articles
