This new Director role at the innovative, health-focused University of Minnesota Rochester (UMR) campus involves developing and supporting student internships and other work-based learning experiences with strategic partners, including a new program with UMR’s healthcare industry partner, Mayo Clinic.

This Director collaborates across the University and with strategic partners, working closely with the Director of Community Engagement and Career Development; the NXT GEN MED Faculty Director and Student Success Coach; the Mayo Clinic Center for Academic Partnerships Director; and UMR’s diverse student body. The position will oversee the UMR student internship process and take a lead role on employer relations efforts. Working with the Director of Community Engagement and Career Development, this Director will manage career events, career fairs, career exploration panels and networking events, with an initial focus on opportunities in the Business and Leadership of Health Care pathway, and will hold teaching responsibilities to support internships and career development.

This position reports to the Assistant Vice Chancellor for Student Success, Engagement, & Equity (SSEE) who reports to the Chancellor.

UNIVERSITY OF MINNESOTA ROCHESTER VISION AND CORE VALUES
The University of Minnesota Rochester is nationally recognized for inspiring and empowering undergraduates to solve the health challenges of the 21st century. UMR core values are embedded in our Vision: community, respect, diversity and inclusivity, evidence-based decision making and human potential. In this vibrant context, students are at the center of all we do – including faculty research focused on student learning and development.

As a diverse and purpose-driven campus community, we value human potential and the significance of every person, empowering individual learning and development so that students, staff, faculty and community partners will flourish. UMR is proud to have attracted a diverse student body and to have achieved equity in degree completion across all underrepresented student groups. The new director will be inspired to continue that work, ensuring equity in post-graduation placement, as students launch careers and/or enroll in advanced study.
APPLICATION PROCESS
Active review of applications will begin February 28, 2022. Applications must be submitted online at humanresources.umn.edu/content/find-job. Search postings for Job Requisition #346008 for application instructions and links. Applicants must attach to the online application (1) a cover letter, (2) resume, and (3) diversity statement.
For more information, contact umrhr@r.umn.edu.

EMPLOYMENT REQUIREMENTS
All employees at the University of Minnesota are required to report complete vaccination against COVID-19 or submit documentation requesting a medical or religious exemption on their first day of employment. To learn more, please visit the University’s COVID-19 Response webpage.

The University of Minnesota requires that an employee has authorization to work in the US in which the role is based. In the event an applicant does not have current work authorization, the University of Minnesota will determine, in its sole discretion, whether to sponsor an individual for work authorization. However, based on immigration requirements, not all roles are suitable for sponsorship.

DIVERSITY
The University recognizes and values the importance of diversity and inclusion in enriching the employment experience of its employees and in supporting the academic mission. The University is committed to attracting and retaining employees with varying identities and backgrounds. The University of Minnesota provides equal access to and opportunity in its programs, facilities, and employment without regard to race, color, creed, religion, national origin, gender, age, marital status, disability, public assistance status, veteran status, sexual orientation, gender identity, or gender expression. Learn more about diversity at the U.
