The University Counseling Center at Grand Valley State University

Psychologist/Counselor, Coordinator of Outcome Assessment and Evaluation – Full-time/permanent, 12 months

**Responsibilities:** Provide individual, group, and couples counseling and crisis intervention. Provide administrative leadership as Coordinator of Outcome Assessment and Evaluation, including assisting with the Center’s Annual Report, coordinating Center outcome assessment and evaluation, and supervising the doctoral intern research/evaluation project. Provide consultation and outreach services to the university community. Provide clinical supervision to doctoral and/or masters-level mental health trainees. Work hours are 9:00 a.m. to 6:00 p.m. **Qualifications:** Candidates must have an earned doctorate in counseling psychology, clinical psychology, counselor education, or equivalent. Candidates must be licensed (or license-eligible, to be licensed within two years) in Michigan. Candidates must also have knowledge and experience in research methods, data design and analysis (particularly outcome assessment, program evaluation, and applied research), and statistical software. Prefer experience with a university population and diverse student body. For psychologists, prefer candidates from an APA program and internship. **Salary:** $52,000-$55,000, commensurate with qualifications and experience, and an excellent fringe benefit package. Join a collaborative staff focused on quality services in a training centered atmosphere.

FOR THE FULL POSITION DESCRIPTION VISIT: [www.gvsujobs.org](http://www.gvsujobs.org).

**Application Process:** Apply online only at [www.gvsujobs.org](http://www.gvsujobs.org). Candidates must submit a letter of interest and qualifications, a resume, graduate transcripts, and the names of four (4) references, including contact information.
